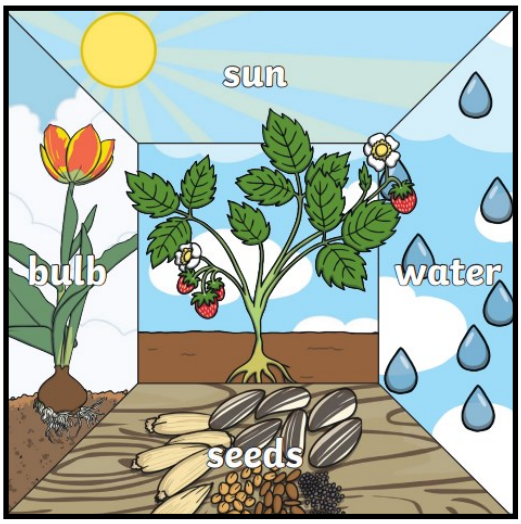
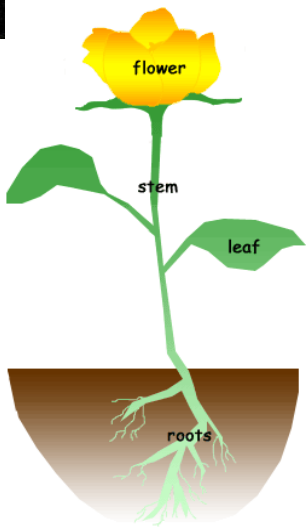
Do plants grow everywhere?



What I already know…

- **I can identify and name a variety of common wild and garden plants.**
- **I can identify and describe the basic structure of common flowering plants.**



Key Vocabulary

plant	flower
seed	stem
bulb	leaf
growth	roots
germination	nutrients

Common Plants

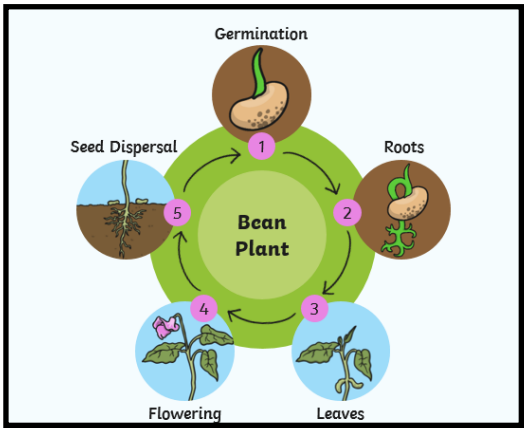
Deciduous tree

Evergreen tree

Sunflower

Daffodil

Poppy



I am a SCIENTIST because…

- **I can observe and describe how seeds and bulbs grow into mature plants.**
- **I can find out about what plants need to stay healthy.**
- **I can describe how plants need water, light and a suitable temperature to grow and stay healthy.**
- **I can use my ideas and observations to suggest answers to questions.**
- **I can perform simple tests.**
