Our Child-Friendly School Development Plan 2017-2018
We are all challenged so that we can all make good progress.

Our teachers give us all different challenges. Our resilience helps us to challenge ourselves. We are 2%ers.

Our teachers help us if we have a problem.
We understand what we need to do to make further progress with our learning.

Our teachers tell us what we have done well. We have targets so we know how to improve our work.

We respond to our teachers marking so we can improve our work.
We work together to make sure we are safe and show respect to everyone.

We understand and demonstrate British Values in everything we do.

Our school council listens to our voice.

We know how to keep safe and be a good friend.
Our reading skills are improving because we are motivated to read lots.

We are encouraged to read books by our year group author.

Our school library is a fun and inspiring place to be in.

We have challenges to help motivate us to read.

Our teachers help us to develop our comprehension skills.

Our parents understand how they can help us improve our reading by sharing our Bug Club books.
