

Dear Parents,

We are delighted to announce that Bug Club is now **READY TO LAUNCH!**

Today, your child will be bringing home their special bookmark, on which their **INDIVIDUAL USERNAME AND PASSWORD** is written. (Please keep these safe as you will need them to log on to Bug Club whenever your child reads.)

The children have had a sneaky peek already at their new reading club, and are very excited to begin!

A few technical points:

- Go to [www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk) or type 'active learn primary' into your search engine.
- Please try to use Chrome or Firefox as your default browser. If you wish to use Internet Explorer it should be IE9 or above.
- In order to view the books, you will need to **ALLOW POP-UPS** in the Internet browser settings of your PC, laptop or iPad, as the books only appear in a pop-up window.

Should you wish to correspond with your child's teacher about their reading, please continue to use the red Reading Record book that your child currently has.

We are very excited about this new opportunity to develop our children's love of reading, and look forward to hearing about how much the children enjoy their new online range of stimulating and challenging books! Enjoy!

Yours sincerely,

Mrs C. Jones and Miss A. Kinsey-Jones
