

Dear Parents,

Dates for your diary:

17 October 2016 Years 3 to 6

Monday 17 October, Simon Adepetun, author of 'The Bee Hive' will be visiting our junior children. He will be talking to the children about his book as well as sharing ideas of how to gather ideas for stories in an interactive workshop.

He will be bringing a few signed copies of his book with him, so if your child would like to purchase one on the day, please send in £6.99 with your child. Alternatively, we will be sending home details on Monday of how to alternative ways to purchase the book

I am sure that your children will be inspired and enjoy the experience of meeting a children's author.

Most letters have gone out to explain these forthcoming events or they are on our website. For later events i.e. November/December letters will go out nearer the time. These dates are for your diaries for advance notice of exciting events coming up.

..... On a separate note toilet incidents do happen during the school day and we are rather short of girls underwear from Reception to Year 2 age. If any parents wish to donate any underwear of this kind we would be very grateful, please pass into school office.

Yours sincerely

V Pierce
Headteacher
