

27th April 2017

Dear Parents

INSET DAYS – ARRANGEMENTS FOR 2017/18

Although we are aware that the second week for INSET's is preferred by many of our parents, it hasn't actually improved our holidays during term time issue but more importantly hasn't been effective in terms of our professional development requirements for INSET's.

The INSET days have been agreed and will not be changing. We do try to consult with parents but with regard to this issue we have to consider our legislative and contractual requirements for all staff.

INSET Days and term times can be view via our website www.rudstonprimary.co.uk and our new Rudston app – download via Parentapps.

Yours sincerely

Mrs V Pierce
Headteacher

Rudston
