

## RUDSTON PRIMARY SCHOOL

Dear Parent/s

One of the few ways the school has to raise money is with our Prize Draw.

For just £12 per year you will be allocated your special number which will be placed into our prize draw each month. The prize draw will take place in assembly and we will have 3 lucky cash prize winners each month (prize amount depends on how much we raise). You can purchase as many numbers as you like for £12 per year. Each number gives you twelve chances to win one of our cash prizes over the year.

All money raised from this goes directly to the school fund for the benefit of the children.

Please pay via parent pay and you will then be notified of your number. You can also pay cash or cheque (made out to rudston primary school fund)

You will receive a written reply with your number/s.

Mrs Margaret Cranny
