San Francisco
North America

I am a GEOGRAPHER because...

- I can use maps, atlases and globes to name and locate the world's 7 continents and 5 oceans.
- I can use world maps to identify countries, continents and oceans.
- I can understand and use geographical vocabulary, such as: sea, ocean and coast.
- I can understand the similarities and differences of two contrasting locations.
- I can use simple compass directions to describe the location and features on a map.
