

Katie Roscoe

As a mother of two boys who have both been through Rudston I originally became a parent governor when the Infants and Juniors amalgamated and am now a co-opted governor. I am currently the chair of the finance committee and also sit on the curriculum committee. My work is also in education as an Operational Manager of Liverpool's Special Educational Needs Inclusion Support Service (SENISS) supporting children with additional needs across the city. It is a rewarding job and I thoroughly enjoy supporting schools and families in helping their children to reach their potential and feel valued members of society. I hope that the experience I bring to the role of governor reflects my work and supports an inclusive ethos at Rudston.

Lucy Atkinson

I first became a governor when my daughters were at Rudston, partly to be more involved in their school life and also because I've always had a strong interest in education. Once part of the Rudston family, always part of the Rudston family, and 11 years on I'm still involved. My main interests are the curriculum, especially Eco-school activities and I help lead Rudston's Eco-team. As Literacy Governor, I have spent a lot of time in the school over the years helping with reading and writing. I also sit on the Personnel committee.

Claire Morrey

I have served as a parent governor for Rudston Infant School and Rudston Primary School for 10 years. I have also been an active member of the PTA.

Both of my daughters have attended the school and loved their time there. I am now a co-opted governor and continue to enjoy my involvement with the school, respecting its ethos and values.

Chris Ball

I have been a governor at Rudston for over 20 years and my daughter was a pupil here 23 years ago. I enjoy the cinema and theatre and am a keen Evertonian. I have written several books on drama and have worked in lots of schools and universities teaching and lecturing on drama. Among the places I have worked are the Shakespeare Theatre in Stratford, the Royal Ballet School and of course - Rudston.

Christine Brown

It is a privilege to be connected with Rudston Primary School. My connection with the school began in 1981 when I was appointed to the teaching staff and consequently as a parent and governor. I work voluntary with year one each week. I am also on the supply staff at the school.

Gill Barnes

I joined the Governing Body of Rudston Infants School in 1999, then became a member of the Shadow Governing Body in the year prior to Amalgamation and now I am a co-opted member of the Governors of Rudston Primary School. My background is in secondary education where I taught Chemistry for 27 years in 3 different comprehensive schools. I have undertaken various roles during my teaching career and for the last 14 years I held a managerial and pastoral role in the sixth form of Archbishop Blanch School. I volunteered in one of the Reception classes for 7 years following retirement and always thoroughly enjoy being part of the Rudston family.

Georgia Dufton

I have been a governor at Rudston for several years and have seen many positive changes at the school. My two children enjoyed their time at Rudston and are now doing well in secondary school and sixth form. I am a senior operations manager at DBS and work with the head to ensure safeguarding is at the heart of school life.
