I am a **GEOGRAPHER** because

- ✓ I am able to locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America.
- ✓ I can identify the position and significance of Equator, Northern Hemisphere, Southern Hemisphere, Arctic and Antarctic Circle.
- ✓ I understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region in North or South America.
- ✓ I can use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.
