

A journey across Australia

I already know ..

A continent is a land mass and an ocean is a large body of water.

There are seven continents, including Oceania and Europe.

I live in Liverpool.

Physical features are characteristics of a place that are naturally occurring.

Sticky Knowledge

I can name and locate the continents and oceans.

Liverpool is in the country England, which is part of the United Kingdom and located within the continent Europe

Know the difference between human and physical features and identify them.

Key Vocabulary

rural	countryside
urban	population
climate	vegetation
country	border
countryside	location

Significant Places

Childwall

Liverpool

United Kingdom

Europe

Alice Springs

Australia

Oceania

I am a GEOGRAPHER because...

- I can use maps, atlases and globes to identify the UK and its countries , as well as continents.
- I can use simple compass directions to describe the location and features on a map.
- I can use aerial photographs to recognise landmarks and human and physical features or two contrasting places.
- I can understand the similarities and differences of two contrasting locations.
- I can recognise Alice Springs is a small town in Australia.
